1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of Duke Power.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I believe that a 17 percent increase in residential electricity rates is outrageous especially during these economic times. Groceries and gas along with everything else is killing us already and forcing a 17 increase on customers that have no other choice but to purchase power from Duke Power is wrong.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
(This section should be completed.)
